Subject: Gulfco Marine Maintenance - Phone call to James G. Burke, Jr., Atty for
Leevac Corporation

I phoned Mr. Burke in New Orleans, LA (504.569.2900) in response to his letter faxed to EPA on December 18, 2003, concerning questions about the 104(e) letter his client received. His secretary explained that he is in court most of the day today, so I left a message for him to return my call at his convenience.
